(b) whether the same has been complied by the States and the municipal bodies;

(d) what action Government propose to take to implement the provision of the Constitution, in the event of non-compliance, if any?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN AFFAIRS & EMPLOYMENT (DR. U. States which have not constituted municipal bodies in accordance with the amended municipal laws have to take immediate steps for constituting municipal bodies within such time as is absolutely necessary for completing the election process.

(b) and (c) Most of the States have already completed the election process for instituting municipal bodies in accordance with the amended municipal laws. A Statement showing the details of municipal elections in various State/Union Territories is enclosed *{see* below).
